## National History Day Tie-In

### Preview Open House

### Sunday April 18, 2010

**Congratulations!** to all of the students participating in the 2010 National History Day competition. The Dane County Historical Society will be hosting our 2<sup>nd</sup> Annual Preview Open House for NHD students from Dane County to celebrate your achievements.

The Annual Preview Open House will be held at:

Dane County Historical Society  
Lussier Family Heritage Center  
3101 Lake Farm Road  
Madison, WI 53711

We want to showcase some of the Dane County projects and give students the opportunity to present their projects to an audience of Dane County Historical Society members and friends. For those students that are taking their projects to the Statewide (and hopefully on to the National) competition, this is a perfect way to practice your project in front of a real audience.

If your project is an Exhibit or Website, we will have you set up for the open house and allow the public to come by to talk to you about your project. Be prepared to answer questions like, How did you select your topic? How did you do your research? What did you learn?

If your project is a Documentary or Presentation, we will have a public presentation of the projects to the audience. Each project will have up to 15 minutes to introduce, show or present the project, and answer questions.

#### Schedule of Open House Activities (April 18, 2010)

- 12:30 – 1:00pm Student Set Up and Preparation
- 1:00 – 1:30pm Open Exhibit (Exhibit and Website projects)
- 1:30 – 3:45pm Presentations (Documentary and Presentation projects)

We can accommodate up to eight Exhibit/Website projects; and eight Documentary/Presentation projects. For more information, or to sign up, go to the Dane County Historical Society website at <http://www.danecountyhistory.org>

Participation in the Dane County Preview Open House for National History Day is voluntary, and is not part of the official NHD competition sponsored by the Wisconsin Historical Society.
